SOLARWAY EXCLUSIVE EXTENDED WARRANTY

SOLAR SURE

EXCLUSIVE EXTENDED WARRANTY

WARRANTY AGREEMENT TERMS AND CONDITIONS

This document lays down the Limited Warranty Agreement (“Warranty”) of the sales of Deye

Inverter along with Cyclone Battery (M Series; C15 C Series) with Accessory Components (“Inverter” and “Battery” collectively as “Products”) by Y and R Solar (PTY) LTD. (“Seller”) regarding your (“Buyer”) purchase of the aforementioned products for a period of ten years from the date of purchase thereby:

The agreement is subject to the conditions described below. Y and R Solar is not obliged to notify any Buyer, or future Buyer, after a certain date about any possible amendments or the non-applicability of this limited warranty regarding the supplied products (hereinafter referred to as the ‘Products’). This warranty only applies to a sales agreement between Y and R Solar and the Buyer in instant case. By making purchase of the products, it would be deemed that buyer also accepted terms of this Warranty Agreement.

PURPOSE

The primary purpose of this warranty agreement is to clearly define and lay down the terms and conditions related to the sale and warranty policy of the Products.

BATTERY WARRANTY

The parties agree that if any product is found defective during the warranty period, the product shall be repaired or replaced. The battery shall have the following warranties:

- Battery BMS is guaranteed to Five Years
- Battery Cells have a Ten Years Warranty or 6000 cycles (M Series range; C15 C Series) Whichever comes first.
- In case, after usage of Five years, battery cells are to be found faulty, the cell would be replaced free of charge excluding labour charges.

INVERTER WARRANTY

The parties agree that the Inverter has a cumulative Ten-year warranty period. If during the warranty period, the Inverter is found defective, the warranty shall be applicable as follows:

- Standard five years' warranty for all parts including labour charges
- Additional five years' warranty on all major components excluding labour charges and LCD component/part installed on it thereby.

SPECIAL CONDITIONS OF WARRANTY:

- The warranty in respect of products shall only be applicable, if and only when the product:
 - is including both inverter and battery
 - is purchased from Y and R Solar.
 - the product bears the original Deye/Cyclone serial number
 - is installed in a battery module in the South Africa
 - is installed, operated and maintained in accordance with the Product Instructions
 - is being used on a daily cycle basis and only for energy storage system, (Cycle life per year: Must be below 600 times).
- All other standard warranty conditions apply as per warranty policy

Provision: The warranty shall become inapplicable if the defect in or failure of the Product's performance is attributable to the buyer's misuse, abuse, accident or non-observance of the Product instructions and manuals.

GENERAL TERMS AND CONDITIONS OF WARRANTY

By virtue of this agreement, the products manufactured and supplied by the Y and R Solar are given warranty against material and manufacturing faults during the duration of the warranty period subject to following general terms and conditions:

- That the product must be purchased and installed within the following Jurisdiction: South Africa only.
- That the product must be correctly installed and commissioned in accordance with the installation instructions/manuals of the product and they must meet the requirements of the Benchmark initiatives.
- That the warranty period will commence from date of purchase of the product.
- That the product would be fit for claiming warranty.

CONDITIONS FOR CLAIMING WARRANTY

The Following are the necessary conditions for the product to be eligible for warranty claims from the seller and authorized reseller:

- The product is made only for efficient usage in domestic and light commercial purposes.
- For the product to be warranty compliant, it must be used, kept and maintained in accordance with the seller's instructions. The products be repaired and serviced as per Y and R solar repair instructions only. The record of such maintenance and service be produced and maintained at time of claiming warranty.
- The product would be warranty compliant as long as it is not moved or re-installed or transferred to any other place from original place of installation without written authorization from the seller.

During the warranty period any product or component which is proved to be faulty or defective in manufacture, will be repaired or replaced free of material and labour charges, providing that:

- Seller authorizes or carries out the repair or replacement work by himself.
- The seller will not accept or reimburse the costs to any third party who undertakes to do any work on the product.
- The warranty period will not be extended in case of any repair or replacement of any product or part, no new period of warranty of that particular product shall commence, rather any remaining warranty shall continue.

- In case of any replacement of product, the replaced product would be deemed to be Seller's property.
- Any claim made under the terms and conditions of this warranty must be made within the warranty period. vi. Only parts of products that are permanently installed on Moored House Boats are covered by warranty.

HOW TO CLAIM

The Following shall be processed for claiming warranty:

At time of claiming warranty. The buyer/user shall provide

Warranty Activation Form (<https://www.solarwaysuppliers.co.za/warranty-form/>, follow all relevant steps noted)

- Invoice for the procurement of the Product
- Product serial number and initial installation date;
- Provide the log data recorded by the Products to indicate whether to achieve the minimum capacity
- Seller may require buyer to complete root analysis testing of the product to provide evidence supporting the claim;

After the claim, final verification of the claim will be made by Y and R solar. The seller reserves the right to refuse exchange requests where adequate information is not provided.

- For claiming warranty, the seller can be contacted at **Email:**
tech@solarwaysuppliers.co.za;reception@solarwaysuppliers.co.za
- In case of any dispute with Seller/(Y and R Solar) verification of the claim, the Product must be evaluated by South African Photovoltaic Industry Association or a Certified 3rd Party Testing Company. In such cases, the buyer shall bear the expenses of any 3rd Party Evaluation Service charges. (If the claim of buyer is proved valid, Deye/Y and R will be responsible for bearing all the testing charges).
- In case of Non-availability of any particular product while claiming warranty, Y and R may, at its discretion, replace the Product with a refurbished product or different product or parts with equivalent/similar functions and performance.
